

Laurimar primary school

- Laurimar primary school locates in Doreen, a eastern northern suburb of Melbourne.

- It started at 2009 with 106 students. In 2016, we have 1012 students and hosted 6 international students from China.

Hi, I am Stephanie Pearce, classroom teacher of 1E, TLL leader for Year 1 to Year 2 and Cultural committee leader.

Zen Garden

Laurimar Primary School

The Asian Zen Garden Project was an initiative that aimed to provide a group of students from the Art Club the opportunity to design, create and see to completion a garden classroom and large scale art project for everyone at Laurimar Primary School.

The project entailed the designing of a Japanese Zen Rock Garden and an Asian-inspired landscape mosaic mural.
